

WELCOME!

Thank you for choosing us for your dental care needs. Our office is designed for your comfort and our trained professional staff works as a team to make your visits pleasant. We take pride in our ability to provide the finest dental care for our family of patients.

OUR EMPHASIS IS ON PREVENTION

Common sense tells us that preventing dental disease is more rewarding and less costly than correcting problems once they occur. Good dental health is no accident. It is the result of good habits, proper nutrition and regular professional care.

Caring for your teeth is an important factor in promoting good health. That is why teaching you how to prevent dental disease is one of our primary goals.

YOUR FIRST EVALUATION

At your first evaluation, we will review your detailed dental and medical history and provide you with a complete picture of your present dental health. Your examination will include evaluation of past, present and potential problems. We examine the soft tissues of the mouth and throat. We check the jaw bones and joints for abnormalities, and of course, we thoroughly examine the gums and teeth. X-rays are used to identify hidden problems in their early stages.

RECALL VISITS

We believe in the benefits of regular preventive care, and therefore, encourage all our patients to return for periodic recall visits. We suggest all our patients pre-appoint their next cleaning because our convenient night and weekend hours fill quickly. If you do not pre-appoint, we will remind you when you are due.

PROTECTING YOUR HEALTH

We strictly adhere to the infection control guidelines of the American Dental Association. For your protection, we operate state of the art sterilization and infection control systems. We will gladly answer any questions you may have about our methods and about your health and safety.

INSURANCE AND PAYMENTS

We gladly accept dental insurance. In fact, as a convenience to you, our office will submit charges directly to your insurance carrier. We ask that, where possible, you assign your insurance benefit to us. Please remember that it is your responsibility to pay any deductible amount, co-insurance, or any balance not paid by your insurance company.

While payment is expected when service is rendered, we do offer flexible payment schedules when arranged in advance of treatment. We also accept VISA, MASTER CARD, American Express, or Discover.

OFFICE HOURS

Our office is open Monday through Friday, with evening and early morning hours available. We also offer some Saturday hours by appointment. Call to determine availability. The office is closed on major holidays, as well as times when the doctor and staff are attending continuing education programs to keep abreast of the latest developments so that we may better serve you.

APPOINTMENTS

Patients are seen by appointment only. Please call in advance so that we may reserve a time for you. We make every effort to be on time for our patients, and ask that you extend the same courtesy to us. If you cannot keep an appointment, please notify us immediately. If you are unable to keep an appointment, please call us at least 2 days in advance. This courtesy on your part allows us to give your appointment to another patient.

EMERGENCY CARE

We reserve a limited amount of time so that emergency patients may be scheduled quickly. If you have a problem requiring emergency treatment, please call us as early in the day as possible. If an emergency occurs outside business hours, please follow the instructions on our answering service to contact the doctor. We will respond to your problem promptly.

A BRIEF INTRODUCTION TO:

Dr. Laurence Breiterman graduated the University of Medicine and Dentistry of New Jersey in 1990. Since then, his spirit to become one of the best has driven him to pursue over 2,000 hours of continuing education. His passion for dentistry drives him to learn from the world leaders in cosmetic dentistry, TMJ diagnostics and management, diagnosis and treatment of occlusal problems, implants, endodontics and full mouth reconstruction.

A Master in the Academy of General Dentistry (awarded after 1,100 hours of continuing education and passing a multidisciplinary exam), Dr. Breiterman holds a strong commitment to continuing education and attends many courses each year. A fellow of the International Congress of Oral Implantology and the American Academy of Implant Dentistry. A member of the Academy of Cosmetic Dentistry, he has also studied at the prestigious L. D. Pankey Institute.

Because of his extensive training and experience, Dr. Breiterman has been named to America's Top Dentists for Cosmetic and Restorative Dentistry and a Las Vegas Institute (LVI) Preferred Dentist.

OUR MISSION

WE WILL PROVIDE ULTIMATE QUALITY CARE AND SERVICE THAT EXCEEDS THE EXPECTATION OF EVERY CLIENT WHO HONORS US BY CHOOSING US AS THEIR DENTAL CAREGIVERS.

OUR GOAL IS TO ACHIEVE PERSONAL SATISFACTION BY EMBRACING EACH NEW CHALLENGE WITH SUCCESS.

WE WILL ACCOMPLISH THIS THROUGH OUR COMMITMENT TO CONTINUING EDUCATION, THE USE OF DEVELOPING TECHNOLOGIES, AND OUR DEDICATION TO TEAMWORK AND COMPLETE CLIENT SATISFACTION.
